CISS: An efficient object clustering framework for DHT-based peer-to-peer applications slawcollass through Less Seungwas Kang. Su Myson Kim, Junebra Song.

March 2007 Computer Networks: The International Journal of Computer and Telecommunications
Networking, Volume 51 Issue 4
Publisher: Elsevier North-Holland, Inc.

Bibliometrics: Downloads (6 Weeks): n/a, Downloads (12 Months). n/a, Downloads (Overall): n/a, Citation Count

In most DHT-based peer-to-peer systems, objects are totally declustered since such systems use a hash funct to distribute objects evenly. However, such an object de-clustering can result in significant inefficiencies in

Keywords. Distributed hash table (DHT), Load balancing, Multi-dimensional range query, Object clustering, F-to-peer application

2 Cross-layer design for medium access control in CDMA ad hoc networks

Amri Butala, Lang Yong
January 2005

EURASI P Journal on Applied Signal Processing , Volume 2005

Publisher: Hindawi Publishing Corp.

Full text available (100 (308.92 KB)

advanced access operations

Bibliometrics: Downloads (6 Weeks): 0, Downloads (12 Months): 5, Downloads (Overall): 56, Citation Count; 1

A medium access control (MAC) protocol for spread-spectrum ad hoc networks with dynamic channel allocatio (DCA) is presented. DCA can support large systems with a smaller number of channels by dynamically assigni channels only when a node has a packet.

Keywords MAC, dynamic channel allocation, hypothesis detection, query, spread spectrum

PAN: providing reliable storage in mobile ad too networks with probabilistic quorum systems
 Jun Luc. Jean-Pierre Hubaux, Patrick Th. Eugster

June 2003 Mobiline '03: Proceedings of the 4th ACM international symposium on Mobile ad hoc networking & computing

Publisher: ACM Signast Perpusions

Full text available PM (612.31 KB)

Bibliometrics Downloads (6 Weeks) 1, Downloads (12 Months): 22, Downloads (Overall): 852, Citation Count; 1

Reliable storage of data with concurrent read/write accesses (or query/update) is an ever recurring issue in distributed settings. In mobile ad hoc networks, the problem becomes even more challenging due to highly dynamic and unpredictable.

Keywords, gossiping, mobile ad hoc networks, multicast, guorum systems, reliable data storage, replication

4 Failure resilient real-time data federation system

Askanksha Gagrani, Brijash Pillai, Srikumar Krishnamoorthy

March 2009 SpringSim '09: Proceedings of the 2009 Spring Simulation Multiconference

Publisher: Society for Computer Simulation International Full text available. (\$\frac{100}{200} \frac{100}{200} (767 21 KB)

Bibliometries Downloads (6 Weeks) 0, Downloads (12 Months) 8, Downloads (Overall) 19, Citation Count 0

Data federation systems virtualize access to enterprize data resources by integrating data from disparate and heterogeneous operational data sources in an on-demand and real-time basis. The key challenge of low latent data access in such real-time data ---

Keywords: distributed query processing, distributed shared memory, failover, fault tolerance, grid computing

5 Urban mesh and ad hoc mesh networks

Anders Nilsson Plymoth, Ulf Kerner, Per Johansson

March 2008 International Journal of Network Management , Volume 15 Issue 2

Publisher: John Wiley & Sons, Inc.

Full text available: PDE (337.30 KB)

Bibliometrics: Downloads (6 Weeks): 1, Downloads (12 Months): 4, Downloads (Overall): 220, Citation Count. 1

Mesh networking is currently gaining much attention, within both academia and industry. Mesh networking allo cheap and fast deployment of wireless services. It is regarded as a very promising solution for urban deploym scenarios as well as for temporary

6 Search and delivery of standardized learning resources based on SOAP messaging and native XML.

databases Xin Xiang, Ling Gue, Yuanshun Shi

September 2003 DCMI '03: Proceedings of the 2003 international conference on Dublin Core and metadata applications supporting communities of discourse and practice---metadata research & applicatio Publisher: Dublin Core Metadata Initiative

Bibliometrics Downloads (6 Weeks): n/a. Downloads (12 Months): n/a. Downloads (Overall): n/a. Citation Count

With the progress of Web-based learning technologies, standardized digital repositories and learning management systems are becoming prevalent over time. The heterogeneity in underlying databases and acce methods, however, makes it difficult to share .

Keywords. Dublin Core, LOM, SCORM, SOAP, XML, XPath, content package, metadata

7 RFID-based networks: exploiting diversity and redundancy

Mitin Vaidya, Samir B. Das January 2008 Si

SIGMOBILE Mobile Computing and Communications Review , Volume 12 Issue 1 Publisher: ACM

Full text available: TEti (264.43 KB)

Bibliometrics: Downloads (6 Weeks): 4, Downloads (12 Months). 101, Downloads (Overall): 814, Citation Count:

In this article, we outline a research agenda for developing protocols and algorithms for densely populated RFI based systems covering a wide geographic area. This will need multiple readers collaborating to read RFID tag data. We consider cases where .

8 NS2: networked searchable store with correctness

Radu Ston, Sumeet Bajaj, Boodan Carbunar, Stefan Katzenbeisser

September 2007 VLDB '07: Proceedings of the 33rd international conference on Very large data bas-

Publisher: VLDB Endowment

Full text available Pari (145.76 KB)

Bibliometrics: Downloads (6 Weeks): 0, Downloads (12 Months): 15, Downloads (Overall): 125, Citation Count: 0

In an outsourced data framework, we introduce and demonstrate mechanisms for securely storing a set of dat items (documents) on an un-trusted server, while allowing for subsequent conjunctive keyword searches for matching documents. The protocols provide

9 GeoServ: A Distributed Urban Sensing Platform

Jong Hoon Ahnn, Uichin Lee, Hyun Jin Moon

May 2011 CCGRID '11: Proceedings of the 2011 11th IEEE/ACM International Symposium on Cluster, Cloud a **Grid Computing**

Publisher: IEEE Computer Society

Full text available TREDE (1 30 MB)

Bibliometrics Downloads (6 Weeks) 0, Downloads (12 Months) 0, Downloads (Overall) 0, Citation Count 0

Urban sensing where mobile users continuously gather, process, and share location-sensitive sensor data (e.g. street images, road condition, traffic flow) is emerging as a new network paradigm of sensor information shari in urban environments. The Keywords: Urban Sensing, Location-aware Publish/Subscribe, P2P Overlay Network, Smartphones

10 Multidimensional querying in wireless ad hoc networks

March 2007 SAC '07: Pr SAC '07: Proceedings of the 2007 ACM symposium on Applied computing Publisher: ACM & Request Personances

Full text available PM (288 25 KB)

Bibliometrics: Downloads (6 Weeks): 1, Downloads (12 Months): 9, Downloads (Overall): 135, Citation Count: 1

As mobile ad hoc networks (MANETs) become more present, new ways of data exchange become feasible. This paper presents the case of multidimensional querying in wireless ad hoc networks. New challenges both in comparison with querying of relational data

Keywords MANET, mOLAP, subsumption

11 Mesh of Multiple DAG servers - Results from TISDAG

L. Dascie, T. Extof

October 2000 Mesh of Multiple DAG servers - Results from TISDAG

Publisher: RFC Editor Full text available: A Lat (19.31 KB)

Bibliometrics Downloads (6 Weeks) 0, Downloads (12 Months) 0, Downloads (Overall) 0, Citation Count 0

The Common Indexing Protocol ([CIP1]) is designed to facilitate the creation not only of query referral indexer but also of meshes of (loosely) affiliated referral indexes. The purpose of such a mesh of servers is to impleme some kind of distributed ...

12 Multi-hop scheduling and local data link aggregation dependant Qos in modeling and simulation of power

ware wireless sensor networks Vasanth Iver, S. S. Ivangar, Barra Murthy, Bertrang Hochel, Vir. Phoha, M. B. Srinovas

June 2009 IW CMC '09: Proceedings of the 2009 International Conference on Wireless Communications and Mobile Computing. Connecting the World Wirelessly

Publisher: ACM % Sequest Permasions

Full text available: Pdf (502.15 KB)

Bibliometrics: Downloads (6 Weeks): 6, Downloads (12 Months): 57, Downloads (Overall): 184, Citation Count C

In this study of wireless sensor networks (WSN) protocols, the application Qos, system, and protocol performance metrics are measured for a large scalable wireless deployment using a typical wireless radio and energy model. As there are many different ...

Keywords: MAC layer duty-cycling, QoS for link quality, algorithm complexity, distributed algorithms, power aware routing, renewable energy resources, wireless sensor network

13 A platform for the description, distribution and analysis of genetic polymorphism data

Grag D. Tyrens, Garry C. King

January 2003 APBC '03: Proceedings of the First Asia-Pacific bioinformatics conference on Bioinformati 2003 - Volume 19 , Volume 19

Publisher: Australian Computer Society, Inc. Full text available Pdf (174 59 KB)

Bibliometrios Downloads (6 Weeks) 0, Downloads (12 Months): 7, Downloads (Overall) 470, Citation Count 0

In this paper we suggest the requirements for an open platform designed for the description, distribution and analysis of genetic polymorphism data. This platform is discussed in terms of our implementation of a phenoty prediction pipeline with general

Keywords RDF, SNP, XML, database, distributed, web services

14 An enterprise directory solution with DB2 S. S. B. Shi, E. Stokes, D. Byrne, C. F. Corn, D. Bachmann, T. Jones

April 2000 IBM Systems Journal . Volume 39 Issue 2

Publisher: IBM Corp

Bibliometrics: Downloads (6 Weeks): n/a. Downloads (12 Months): n/a. Downloads (Overall): n/a. Citation Count

LDAP (Lightweight Directory Access Protocol) is a technology that can provide directory services to a range of applications. Directory service, a critical part of distributed computing, is the central point where network services, security services,

15 Channel access management in data intensive sensor networks

Chih-Kwang Lin

January 2008

Channel access management in data intensive sensor networks

Publisher: University of Pittsburgh

Bibliometrics: Downloads (6 Weeks): n/a, Downloads (12 Months): n/a, Downloads (Overall): n/a, Citation Count

There are considerable challenges for channel access in Data Intensive Sensor Networks - DISN, supporting D Intensive Applications like Structural Health Monitoring. As the data load increases, considerable degradation in the key performance parameters.

16 XML Data Management: Native XML and XML Enabled DataBase Systems

A. Chaudhri, Roberto Zicari, Awais Rashid

March 2003 XML Data Management: Native XML and XML Enabled DataBase Systems

Publisher: Addison-Wesley Longman Publishing Co., Inc.

Full text available Satering Online Book

Bibliometries Downloads (6 Weeks) n/a, Downloads (12 Months) n/a, Downloads (Overall) n/a, Citation Count

From the Book The past few years have seen a dramatic increase in the popularity and adoption of XML, the extensible Markup Language. This explosive growth is driven by its ability to provide a standardized, extensible means of including semantic...

17 Xml. Web Services, and the Data Revolution

Flank P. Ceyle

March 2002 Xml, Web Services, and the Data Revolution

Publisher: Addison-Wesley Longman Publishing Co., Inc.

Full text available Sateria Online Book

Bibliometrics Downloads (6 Weeks), n/a, Downloads (12 Months), n/a, Downloads (Overall), n/a, Citation Count

From the Book The aim of this book is to try and tell the story that we're now all a part of—a story not just ab emerging technologies such as xml and web services, but of how these technologies are coming together and combining in new ways, ...

18 VB Net: For Experienced Programmers Harvey M. Deitel, Paul J. Deitel

July 2002

VB .Net: For Experienced Programmers

Publisher: Prentice Hall Professional Technical Reference

Bibliometrics: Downloads (6 Weeks): n/a, Downloads (12 Months): n/a, Downloads (Overall) n/a, Citation Count

From the Book:

Preface

Live in fragments no longer. Only connect.

-Edward Morgan For

We wove a web in childhood,

A web of sunny air.

-Charlott

19 ADO.NET Programming in Visual Basic NET. 2 edition

Steve Holzner, Ropert Howeii December 2002

ADO NET Programming in Visual Basic NET, 2 edition

Publisher: Prentice Hall PTR

Full text available | Satures Online Book

Bibliometrics Downloads (6 Weeks) n/a, Downloads (12 Months) n/a, Downloads (Overall) n/a, Citation Count

From the Book

Introduction

by Bob HowellWelcome to ADO .NET Programming in Visual Basic .NET. As a fellow VB programmer and developer. I wrote this book for two reasons:

· To introduce the VB Classic (VB Version 6 0 and prior versions)

20 Tcl 8.5 Network Programming

Wojciecii Kocian, Piotr Baltowski

July 2010 Tcl 8 5 Network Programming

Publisher: Packt Publishing

Bibliometrics: Downloads (6 Weeks): n/a, Downloads (12 Months): n/a, Downloads (Overall): n/a, Citation Count

Build network-aware applications using Td, a powerful dynamic programming language Develop network-awar applications with Tcl Implement the most important network protocols in Tcl Packed with hands-on-examples, case studies, and clear explanations.

This Glossary (191 pages of definitions and 13 pages of references) provides abbreviations, explanations, and recommendations for use of information system security terminology. The intent is to improve the comprehensibility of writing that deals with

7 Internet Official Protocol Standards

J. Reynolds, R. Braden, S. Ginoza, A. De La Cruz

November 2002 Internet Official Protocol Standards

Publisher: RFC Editor

Full text available at Ixt (127 81 KB)

Bibliometrics | Downloads (6 Weeks)| 0, | Downloads (12 Months); 0, | Downloads (Overall) | 26, | Citation Count| 0

This memo contains a snapshot of the state of standardization of protocols used in the Internet as of October 24, 2002. It lists official protocol standards and Best Current Practice RFCs, it is not a complete index to the R series. The latest version ...

8 Internet Official Protocol Standards

J. Reynolds, R. Braden, S. Giocza

August 2001 Internet Official Protocol Standards

Publisher: RFC Editor

Full text available: At 1xt (112.81 KB)

Bibliometrics: Downloads (6 Weeks): 0, Downloads (12 Months); 0, Downloads (Overall): 10, Citation Count: 0

This memo contains a snapshot of the state of standardization of protocols used in the Internet as of July 17, 2001. It lists official protocol standards and Best Current Practice RFCs, it is not a complete index to the RFC series. The latest version ...

Internet Official Protocol Standards J. Reynolds, R. Braden, S. Ginoze, L. Shiota

November 2001 Internet Official Protocol Standards

Publisher: RFC Editor

Full text available: 11:1 (115.20 KB)

Bibliometrics Downloads (6 Weeks): 0, Downloads (12 Months); 0, Downloads (Overall): 15, Citation Count: 0

This memo contains a snapshot of the state of standardization of protocols used in the Internet as of October 25, 2001. It lists official protocol standards and Best Current Practice RFCs, it is not a complete index to the R series. The latest version ...

10 Internet Official Protocol Standards

J. Reynolds, R. Braden, S. Ginoza

May 2001 Internet Official Protocol Standards

Publisher: RFC Editor

Full text available ATAL (101 65 KB)

Bibliometrics Downloads (6 Weeks) 0, Downloads (12 Months) 0, Downloads (Overall) 10, Citation Count 0

This memo contains a snapshot of the state of standardization of protocols used in the Internet as of April 17, 2001. It lists only official protocol standards RFCs, it is not a complete index to the RFC series. The latest version of this memo is designated

11 Internet Official Protocol Standards

J. Postel, J. Beynolds September 1998

Internet Official Protocol Standards

Publisher: RFC Editor

Full text available ATAL (110 97 KB)

Bibliometrics Downloads (6 Weeks) 0, Downloads (12 Months) 0, Downloads (Overall) 11, Citation Count 0

12 Internet Official Protocol Standards

J. Reynolds, R. Braden

March 2000 Internet Official Protocol Standards Publisher: RFC Editor

Full text available (86 14 KB)

Bibliometrics: Downloads (6 Weeks): 0, Downloads (12 Months): 0, Downloads (Overall): 10, Crtation Count; 1

13 Internet Official Protocol Standards

J. Reynolds, R. Braden

August 2000 Internet Official Protocol Standards Publisher: RFC Editor

Full text available 1 151 (90 21 KB)

Bibliometrics Downloads (6 Weeks) 1, Downloads (12 Months) 1, Downloads (Overall) 5, Citation Count 0

This memo describes the current state of standardization of protocols used in the Internet as determined by th Internet Engineering Task Force (IETF) Sections 3 1 - 3 6 contain the lists of protocols in each stage of standardization - Standard, Draft

14 Internet Official Protocol Standards

J. Reynolds, R. Braden

June 1999 Internet Official Protocol Standards

Publisher: RFC Editor

Full text available: At Ist (78.85 KB)

Bibliometrics: Downloads (6 Weeks): 0, Downloads (12 Months): 0, Downloads (Overall): 7, Citation Count: 0

15 Internet Users' Glossary G. Markin

August 1996

Internet Users' Glossary

Publisher: RFC Editor

Full text available: At Ixt (123.01 KB)

Bibliometrics: Downloads (6 Weeks): 0, Downloads (12 Months): 0, Downloads (Overall): 20, Citation Count: 1

There are many networking glossaries in existence. This glossary concentrates on terms which are specific to the Internet. Naturally, there are entries for some basic terms and acronyms because other entries refer to them.

16 X.500 implementations Catalog-96 C. Apple, K. Possen

April 1997 X 500 Implementations Catalog-96

Publisher: RFC Editor

Full text available. At Ixt (243 99 KB)

Bibliometrics Downloads (6 Weeks): 0, Downloads (12 Months): 0, Downloads (Overall), 17, Citation Count 0

This document is a revision to [RFC 1632]: A Revised Catalog of Available X 500 Implementations and is based on the results of data collection via a WWW home page that enabled implementors to submit new or updated descriptions of currently available

17 Request for Comments Summary

A. Bames

January 1999 Request for Comments Summary Publisher: RFC Editor

Bibliometrics Downloads (6 Weeks) 0, Downloads (12 Months) 0, Downloads (Overall) 0, Citation Count: 0

18 Request for Comments Summary RFC Numbers 2900-2999

August 2001

Request for Comments Summary RFC Numbers 2900-2999 Publisher: RFC Editor

Full text available at 141 (45 31 KB)

Bibliometrics: Downloads (6 Weeks): 0, Downloads (12 Months): 0, Downloads (Overall): 2, Citation Count: 0

19 Managing Security in Dynamic Networks

Alexande: V. Konstantinou, Yechiam Yemini, Sandeep Shatt, S. Rajagopalan

November 1999 LISA '99: Proceedings of the 13th USENIX conference on System administration

Publisher: USENIX Association

Bibliometrics: Downloads (6 Weeks): n/a, Downloads (12 Months): n/a, Downloads (Overall): n/a, Citation Count

This paper describes our initial steps towards self-configuring mechanisms for automating high-level security and service policies in dynamic networks. We build on the NESTOR system developed at Columbia University for instrumenting and monitoring constraints.

20 AAA Authorization Application Examples J. Vollbrecht, P. Calhoun, S. Farrell, L. Gommans, G. Gross, B. de Brutin, C. de Laat, M. Holdrege, D. Spance

August 2000 AAA Authorization Application Examples

Publisher: RFC Editor

Full text available ALL (118 65 KB)

Bibliometrics Downloads (6 Weeks): 0, Downloads (12 Months): 0, Downloads (Overall): 36, Citation Count: 11

This memo describes several examples of applications requiring authorization. Each application is described in terms of a consistent framework, and specific authorization requirements of each application are given. This material was not contributed
